

Disclosure of Conflicts of Interest

I have reviewed the American Brain Foundation's Policy on Conflicts of Interest. I understand that, as a Foundation official, I have a conflict of interest if I have a private interest that may interfere with my official responsibilities to the Foundation. Further, I understand that I must disclose a potential conflict of interest at the beginning of my term as a Foundation official, annually thereafter, and whenever a change in my personal circumstances causes the previously submitted disclosure form to be no longer correct.

In addition, when I am aware of a potential conflict of interest concerning an agenda item in a Foundation meeting, I will promptly disclose that conflict to the chair.

I declare the following potential conflicts of interest:
